## Chairman' Speech

My colleagues the board of directors' members, the work team, and I are pleased to present the annual report which displays Enayah Association journey during the year of 2021, and the most important achievements.

Those achievements and figures in your hands were achieved in conjunction with the Society's obtaining a permit to work abroad from King Salman Humanitarian Aid & Relief Centre as the first health association receiving this achievement, in order to be one of the generosity aspects of Saudi Arabia abroad. This permit is considered a trust

certificate from our leaders that we are proud of. I ask Allah Almighty to always grant the association the success in its work abroad, and to be the best partner for King Salman Humanitarian Aid & Relief Centre, which is considered a pioneer in the humanitarian work under the patronage of The Custodian of the Two Holy Mosques King Salman bin Abdulaziz Al-Saud, and Crown Prince H.R.H Mohammed bin Salman bin Abdulaziz Al-Saud, who both give the charitable work a special attention and grant a lot of effort for this field, so they deserve sincere thanks and appreciation.

What Enayah has achieved during 2021 would not have been possible without grace of Allah then the effort of the executive administration, so I should thank and appreciate my colleagues in the executive administration. I would also take this opportunity to express my thanks and appreciation to Enayah partners in the Ministry of Human Resources and Social Development, the Ministry of Health, donor institutions, commercial companies, and health services providers that had a clear role in those achievements. We hope to continue in this cooperation in a way that achieves the sustainable development in our dear country.

**Dr. Abdulrahman bin Abdulaziz Al Swailim**

## Secretary General's Speech

We are pleased to present to you the report of Enayah Association activities in the year of 2021 which is full of achievements that came in conjunction with the Society's obtaining a permit to work abroad from King Salman Humanitarian Aid & Relief Centre. This partnership with the Centre is based on 2030 Vision regarding strengthening cooperation between the non-profit societies.

Choosing the Association to work abroad will open wider fields and aspects for the Association to transfer the experience of the non-profit sector in the Kingdom and its humanitarian role in providing excellent

health services through the Society's three paths: treatment path, prevention path and awareness path. We ask Allah Almighty to help us to satisfy our leaders through providing services that achieve the Kingdom's humanitarian goals.

Such achievements would not have been achieved without the grace of Allah and then the efforts of the staff who worked sincerely. That staff, by the spirit of challenge and sense of responsibility, managed to implement the programs, initiatives and the operational plan items of 2021, so they deserve thanks and appreciation.

In this report, we will display the most prominent achievements and activities implemented in 2021 according to the principle of transparency and delivering the facts to the beneficiaries and the Society's partners. Those partners are the benefactors and donor companies and institutions that supported the Society's activities and programs.

So, we put in your hand this report arising from the strategic plan of the Society. We hope that you will read the report with the intention of improvement and development. We are pleased to hear from you any comment or suggestion.

**Dr. Salman bin Abdullah Al Mutairi**

# The Year of Challenges and Achievements

The year of 2020 was known as the year of Covid 19 pandemic (Coronavirus), which made a strong shock over the world, especially in the economic and social infrastructure. The Association has contributed in confronting the pandemic impact through its social responsibility, where it implemented an exceptional unprecedented plan to ensure the work continuation.

Although that most of 2021 was an extension to the pandemic impact, but Enayah adapted to changes. It was able to launch a group of initiatives and institutional development. It implemented its operational plan efficiently and effectively at the rate of 91%, where it could implement 56 operational goals.

Moreover, Enayah was quick to respond to unplanned qualitative and distinguished opportunities, where it responded to (5) qualitative initiatives in which the Association could utilize them efficiently, resulted in raising the operational performance rate 118%. The qualitative initiatives included a number of strategic partnerships in the sustainability fields, developing Enayah 2030 Vision, studying the impact measurement and sustainability, and in the geographical expansion to include the work abroad via a permit from King Salman Relief Centre.

The year of 2021 is considered an exceptional year regarding the institutional development, whether in building the strategic vision for the next years, or in strategic and operational performance efficiency, or in enhancing the sustainability and corporate communication.

## Beneficiaries' Opinions

Thanks to Enayah Association for supporting and helping me to perform the cholecystectomy. I ask Allah Almighty to bless the effort of the Society.

I had uterine fibroid, and the treatment cost estimated at 23 thousand riyals. I submitted a request to the Society, and received approval. The operation was performed and the tumor was removed successfully. Thanks to Allah. I appreciate and thank the association and donors.

I was suffering from astigmatism and sever darkness in the vision. Thanks to Allah that I received treatment from Enayah Association. I am right now better. Thanks to Enayah for what it provides and thanks to all Society's staff.

I suffer from heart failure and complete renal failure. I need kidney dialysis three times a week. I visited the Association asking assistance. The Association granted me many paid sessions. Thanks to Allah and then I should thank all donors for their contribution to serve patients.

# Volunteering

Volunteering Department aims to recruit the volunteers and adopt their initiatives.
